Music / Performance Items

VETnetwork Australia (Vocational Education and Training Network Australia Inc) is a national professional association dedicated to the advancement and improvement of vocational education and training across Australia. Members include teachers, trainers, career advisers, program coordinators, administrative and support personnel committed to vocational learning and youth transition. VETnetwork Australia also works with researchers, institutions, organisations and companies actively engaged in workforce and workplace development, vocational learning, enterprise and transitions.

The VETnetwork National Conference is the peak event for those working in Vocational Education and Training (VET), especially those who work with young people in schools. Delegates include teachers, trainers, career advisers, VET managers, partnership brokers, youth connections groups, administrators, Registered Training Organisations (RTO's), employer and industry organisations, tertiary educators, researchers and others. The theme of the 2010 Conference is "Creative Futures: the changing landscape". The Conference will be held at the Adelaide Convention Centre – Wednesday September 15th to Friday September 17th, 2010.

The purpose of this EOI is to gauge interest from South Australian schools who may be interested in showcasing musical performance at the Conference. We anticipate 800 delegates from across Australia and some international delegates will attend the Conference. Schools / students will perform at key intervals throughout the Conference program.

If your school is interested in participating, please complete this EOI and return it to the VETnetwork Australia National Office, by Friday May 28th 2010 by:
