

About VETnetwork Australia

VETnetwork Australia (Vocational Education and Training Network Australia Inc) is a national professional association dedicated to the advancement and improvement of vocational education and training across Australia. Members include teachers, trainers, career advisers, program coordinators, administrative and support personnel committed to vocational learning and youth transition.

VETnetwork Australia also works with researchers, institutions, organisations and companies actively engaged in workforce and workplace development. This is the peak professional association bringing together key stakeholders for vocational learning, enterprise and transitions.

VETnetwork strives to:

- foster and promote professional linkages amongst the range of stakeholders supporting young people in their training and development through and beyond school
- serve as a forum for sharing vocational education and training issues and challenges state wide and nationally
- assist in the further development of vocational education and training as a system of high quality practice
- facilitate the dissemination of vocational and education information.
