

**Professional Development for Reaccredited Work Education Certificates
Registration Form/Tax Invoice for EQ Schools and Private Providers**

Three Work Education courses - Certificate I in Work Education, Certificate I in Work Readiness and Certificate II in Workplace Practices - have been updated and reaccredited. They will be implemented by schools and private providers in 2007. These workshops have been organised to assist in the implementation by updating current providers about changes to the certificates and informing new providers about these courses.
